MYPF GOALS

Vision: *simplifying* Personal Finances

Mission: Helping people grow

A person is paragliding over a valley at sunset. The sky is filled with soft, golden light and wispy clouds. The valley below is a mix of green fields and dark trees, with a winding road visible. The overall mood is peaceful and adventurous.

MYPF RISK MANAGEMENT

Risk Management helps you to ensure you are **financially responsible** for **you & your loved ones**. This works to ensure that you and your assets are **sufficiently protected** for the **unexpected things in life** that sometimes happen while **keeping costs low**.

MYPF RISK MANAGEMENT

Risk Management goes through a **review of your existing coverage**. We work to translate insurance **into simple understandable** information.

Our approach is to ensure you are **sufficiently covered** and to **reduce costs**, especially in unnecessary or overpriced coverage. If you have yet to meet an advisor who tells you that you don't need a certain coverage, you will very likely experience that with us.
